- **Reminders:** Please limit to 20 minutes at the loading/unloading areas at the head of the docks; 30 minute parking for store patrons. Do not use the laundry room to hang clothes to dry.
- **If you have any news to share...** let Diane know and it will be published in the next newsletter.

Pleasant Harbor Marina

NEWS

January 2008

It is time for Cinnamon to retire to a home where someone can give him more attention than we can here. To stay warm and dry, he is spending too much time alone. If you are interested in taking Cinnamon to your loving home where someone can give him the much deserved attention, please call or email Diane.

Highway 101 from the south is now open! It took almost two weeks to clear the road enough to open to normal traffic. There will be delays during the week while they continue to clean up the road.

The marina and boats survived with little damage. The marina flooded 2 inches in the store, giving the carpet and floors a well needed cleaning.

There is now a vendor check-in/out sheet in the marina store. You must call or send us an email (preferred) authorizing a vendor to be on your boat, and whether or not we are to give them the boat key. When they arrive they must come to the office and sign in, and when they leave come and sign out. We want to be able to better monitor people milling on or around boats, and we hope this will help.

Congratulations to Rich and Terry Burgess on the arrival of their 3rd grandchild.

Coast Guard Auxiliary Safety Boat Check Schedule your boat for a safety check with Dick Moore (E-11) at 796-4185.

Please furnish our office with an email address for a way to get a quick message to you regarding important, time sensitive information.

If we need to pump out your boat or dinghy there will be a \$10 fee, each time it needs to be pumped, added to your billing for the next month. If at all possible, we will call you before we do.

The County Commissioners have extended their decision 30 days (January 14th). More information will be available as we receive it.

PHYC Nog-Potluck-Toy/Food drive was very successful. Everyone had a great time. Thank you Dick Moore for the Christmas tree for the dining area. Thank you Greg and Tina Tyler for a great event.

Seattle Boat Show

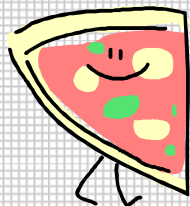

is Jan 24—Feb 2, 2008

Visit <http://www.seattleboatshow.com/> for information and purchasing e-tickets.
